

American Lincoln Parts

American Lincoln Part - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines that are recognized in the industry as durable and strong equipment which suits the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery-operated walk behind version of floor scrubber together with the Clarke Company that is now also owned by Nilfisk Advance. Their production operations are based in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln can supply components, warranty service and machinery for these scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where efficiency and results matter. Lately, this floor scrubber model has been used by the architects in different construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on site due to the model's utmost performance level and excellent quality for polishing concrete.
