

## Trek Parts

Trek Part - TREK Cleaning Machines is a maker of cleaning equipment. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than sixty years of experience successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are dedicated to giving new design concepts and top quality so as to meet the diverse requirements of their customers.

TREK Cleaning Machines continually provides fresh design ideas as proven in their product development. They like providing products which energize both their partners and their dealers and offer production gains to their clients.

The TREK team of workers enjoys new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements combined with their knowledge of cleaning applications, along with owners' strong desire to considerably lessen cost through productivity gains.

When considered necessary, the personnel within TREK and its various dealer members in both parts and in technical support will be obtainable. One of their core values is their high service dedication in their customer service. Keeping their clients' cleaning machinery running and ready everyday is top priority. The company's top of the line technology delivers dependable equipment that eventually lowers your cleaning expense. The product, the price and the service all work together so as to make them the leader in the business.
