

## **Lull Telehandler Parts**

Lull Telehandler Parts - Telehandlers by Lull have been supplying load placement precision since nineteen fifty nine. The Lull telehandler can help make the task easier and faster, whether the work involves transferring loads, positioning heavy steel or landing loads on scaffoldings. These units are available together with the patented Stabil-Trak stability system to be able to ensure operator confidence.

The Lull horizontal load placement system supplies 80 inches of boom travel for precision placement capabilities. A wide range of optional accessories is obtainable for Lull telehandlers to help finish any task.
