Advance-Nilfisk Parts - Think about how long and tedious it will actually be to tidy up after a party, with out assistance from equipment. Not too long ago, the dust from carpets and upholstery had to be beat out of them by hand; cleaning cloths, brooms, and brushes were the top cleaning products during that time.

P.A. Fisker, the man who established Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Starting the business in the year 1906, he started to make motors in order to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's dream from the beginning was to have a worldwide business marketing merchandise internationally.

The Nilfisk C1 was an incredible breakthrough for the cleaning industry. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and can be operated by a single individual. This invention came in a time where other cleaning equipment were huge and needed 4 or more operators, hence, the Nilfisk C1 changed everything and developed the way we clean forever. The mastermind behind these very first cleaning equipment remains unparalleled. Cleaning equipment provide an excellent solution to an existing problem; things get filthy and must be cleaned regularly, without too much effort.

Slowly but steadily, Nilfisk-Advance grew all through the decades. In the nineteen eighties, this expansion truly took place the time the business became a part of the NKT Group. Their new owners' ambition and motivation made Nilfisk-Advance take a huge leap forward within the industry, aspiring to be one of the largest global players in the market of professional cleaning machines. Nilfisk-Advance is now represented in all parts of the world by gradually acquiring a lot of smaller businesses to be able to grow their product portfolio and presence in new markets. They are really proud to present different cleaning solutions to suit every requirement.
